

What is the difference between a General Member and a Competitor Member?

Article Number: 110 | Last Updated: Fri, Nov 10, 2017 1:43 PM

The general member does not provide access to compete in U.S. Ski & Snowboard events. General members may participate at the club level and in interclub events. U.S. Ski & Snowboard general members may forerun but not to compete in sanctioned events. General members may also participate in physical assessment testing.
