

I am a coach and will not be participating this year. What level of membership do I need to purchase in order to maintain my certifications?

Article Number: 243 | Last Updated: Thu, May 30, 2019 10:18 AM

As a coach, you may choose any level of membership, or may choose not to renew. However, you'll be required to provide proof of current continuing education and other certifications when you return. For further information on this, please contact our Sport Education department at 435.647.2050 or email sporteducation@usskiandsnowboard.org.
