Coach and Official's memberships for all sports receive a competition guide with their membership. The comp guides typically start shipping mid to late October and then additional files are pulled weekly throughout the rest of the season to fulfill orders.

Members may purchase additional comp guides at \$10 each by contacting Member Services at 435.647.2666 or by emailing [membership@usskiandsnowboard.org](mailto:membership@usskiandsnowboard.org) or by contacting Sport Education at 435.647.2050 or by email at [sporteducation@usskiandsnowboard.org](mailto:sporteducation@usskiandsnowboard.org).
