

What membership do I need to purchase if I'm an adaptive alpine athlete?

Article Number: 386 | Last Updated: Tue, Jun 4, 2019 1:08 PM

U.S. Ski & Snowboard offers an Adaptive Alpine membership for those who are competing in U.S. Ski & Snowboard Alpine and Adaptive Alpine events for national points. An IPC license is required for those participating in IPC sanctioned events and if the member wishes to hold a FIS license, they must hold an Alpine Competitor membership.
