

How do I look up my points?

Article Number: 39 | Last Updated: Thu, Aug 26, 2021 10:17 AM

Please log into your my U.S. Ski & Snowboard account. Scroll down until you see the section that says Points and Results. All up to date points and rankings will be listed here. You may also access these through the member look up tool.

You are also able to see your points by using the Member Lookup tool under the Public Tools. Go to usskiandsnowboard.org and click on the Tool icon in the upper right then click on Member Lookup and enter the individuals information you are wanting to check the points for.
