

Who can take SafeSport and where can it be purchased?

Article Number: 407 | Last Updated: Fri, Jul 19, 2019 2:07 PM

Anyone can purchase the course through athletesafety.org and receive a certificate.

SafeSport training is required for all those turning 18 (and older) during the season (includes athletes), excluding short term members and alpine masters who are not in regular contact with or in a position of authority over athletes.
