

Will I get credit for any events I competed in prior to purchasing or upgrading my membership?

Article Number: 454 | Last Updated: Tue, Aug 24, 2021 10:44 AM

No, U.S. Ski & Snowboard does not award points or results retroactively. The athlete must have been a current member of U.S. Ski & Snowboard to receive the benefits of membership. The only exception would be if there was an error on the part of U.S. Ski & Snowboard in processing your membership.
