

How do Points List dates work?

Article Number: 456 | Last Updated: Mon, Aug 30, 2021 2:33 PM

Points Lists are produced on a schedule that is set before the start of the season.

The schedule can be found on the sport page found here: [Points Landing Page](#)

Close Date – The close date is the last date that results are eligible to be considered for the list calculation. Any competitions after the close date will be part of the calculation for the next list.

Valid Date – The valid date is the date that the list becomes valid and is used for competition seeding and penalty calculations.
