

I competed in races recently and got better points, why haven't my points updated on the website?

Article Number: 460 | Last Updated: Mon, Aug 30, 2021 2:31 PM

- Points are only updated when a new points list becomes valid. Check the Competition Guide or on the website rankings page under the appropriate sport for these dates, [Points Landing Page](#).
- For Alpine you must have two races with points that average together to be better than the fall list to improve your points.
